

Home-style office lunch, zero cafeteria overhead

Tiffinly delivers fresh tiffin lunches from vetted home kitchens to offices of 50 to 2,000 people. You set a subsidy, employees pick their meals, and we handle cooking, delivery and billing.

No cafeteria lease

Per-meal billing

FSSAI-checked kitchens

Monthly cost for a 300-person office

Cost per month, in lakh rupees

300 STAFF, 22 DAYS

Three common setups compared with Tiffinly at the same 70% daily attendance.

Core Analysis

Pay for meals eaten

Billing is per delivered meal, so hybrid days with low attendance cost less.

No fixed staff

No cooks, pantry staff or kitchen equipment on your payroll or balance sheet.

Less waste

Orders close at 10 am, so kitchens cook to the exact count.

Live in your office within three weeks

We start with one floor or team, then expand once the numbers hold.

WEEK 1

Policy setup

Set subsidy per meal, eligible teams and payroll deduction rules.

WEEK 2

Free tasting week

Five days of free lunches for a pilot group of up to 50 people.

WEEK 3

Full launch

All eligible employees order in the Tiffinly app or on Slack.

MONTH 2

First review

Attendance, ratings and spend report shared with HR and finance.

No contract lock-in for the first 60 days.

WHY TEAMS SWITCH

Food people actually look forward to

Each meal comes from one of 140 home kitchens we audit every month. Employees rate every lunch, and kitchens under 4.2 stars are paused.

Regional menus

North, South, Bengali and Jain options every day.

On-time delivery

97% of lunches arrive before 12:45 pm.

Simple admin

One invoice, one dashboard, one account manager.

Lunch attendance in office went from 48% to 71% in two months. (People lead, 420-person fintech client)
